“ Gerald and Freda and children. I was so glad to be able to be a part of this service even though via video. Thank you so much for allowing us the opportunity to be a part of y'all's life. "Paw Paw" will be really missed and he made his mark on many of our lives and hearts. Please know we will think of you often and hope that you guys will smile when you think of Mr. Billy. I know when he comes to my mind, I certainly will!

Your daddy was a kind and gentle man, a very loving and generous soul. He totally loved you and cherished you. You truly loved him well until his death! Keep your head held high - you are rare in my world!

Love y'all!

“ I am a Pruitt Hospice volunteer and provided pet therapy for Billy. My golden retriever, Boo, and I visited him every month for the past eighteen months or so and we really loved getting to know him. He threw his stress ball for Boo on the sly since she wasn't supposed to leave his side and he saved some of his snacks for her! What a lovely man. Boo and I will miss him.
