“ Growing up with you, you were always so quiet and humble. But don't think we didn't notice how you lived a life of service to others. I wonder how many people you helped and comforted during your work at the hospital and hospice. You were quite a lady. And you made your family proud. We will miss you, Brenda. And we will remember you and how you lived.

“ Brenda, you were a wonderful person, inside and out. Your beautiful smile let us all know how much you cared of others. But above all that, it also showed how much you loved the Lord. You were a Shining star, a role model for others to follow. You lived your life everyday walking with Jesus. Your journey here on earth is done, and now you are at home. With your Heavenly Father. We will miss you so much But you will always be remembered by the way you lived your life and the love you had for Jesus. Rest easy sweet Lady, and keep smiling down on us. So glad I had the chance to tell you I love you just a few days ago. You will Forever live in my heart. See you later my sweet friend.
