“ July 7th, 2020

My family and I have been so blessed to have had been able to communicate with Uncle Everett over the past few years through Christmas letters and occasional phone calls. We have always looked forward to sending him Christmas cards/pictures and receiving his handwritten letters and Gospel tracts. We have also had the pleasure of speaking to him on the phone periodically.

I have always been amazed at his beautiful handwriting and Godly words of wisdom and encouragement. Speaking to Uncle Everett reminded me of talking with my Grandfather William Ward. His warm personality, amazing wit, sharp mind, and infectious laughter.

As I type this, I found a letter from 2018 sitting on my work desk from Uncle Everett.

Here are a few excerpts from the letter that make me laugh and tear up a bit:

" Christian you are looking like your Grand Paw William. He was a loving brother and a good person to be around. I am sure you are also."

"Cheryl - you look wonderful, you could pass as a sister to your children. I do not know how you live, but do not change it."

Kemper and Harper are growing up to fast, slow them down..."

" I am starting to slow down in my life. In June of this year I have been preaching 40 years. I will be 92 in August. Take care of each other, and God bless you all" - Love you - Uncle Everett.

I am saddened that I was not able to introduce my wife Cheryl and children Harper and Kemper to Uncle Everett. I am encouraged and happy to know he is with the Lord now, along with Grandpop and his other family and friends.

We are tremendously touched and blessed to have had Uncle Everett in our lives and he will be greatly missed.

God bless and see you in Heaven. Thank you for touching our lives.
