“ Dear Family,
Extending belated deepest sympathy as I lift you all in prayer & send my LOVE. I am now retired, but I cared for both of your parents while they were @ NHC as their night nurse on station 3. He was such a kind & gentle Christian man who loved God & her. He loved to share his faith & read his Bible. Heaven has gained a precious soul! I know you all miss him, I sure do!
Sincerely,
Debbie Davenport

“ Philicia and family,

We all loss a great friend on Friday. He has fought a great fight and won the battle. He worked hard and steady for his Lord and savior and now is enjoying his reward. I loved him from day 1 when Mr. Blake Barfield introduced us. He had a wonderful smile and love was always showing. Your love to him was there as he was never forgotten in NHC. Your love and support for him was admired by many. He will be forever in our hearts and America is a better place because of men like Papa Beabe. Praying for all of you today and in the future as you face the time ahead without Papa. Take comfort in sharing all the wonderful memories and love each of you shared with Papa.
