“ This was a great memory of pictures of my Aunt Ruby. She had some tough battles to overcome losing Shelly, losing Baby Weathers and losing Pete. She was a tough lady that kept right on going hiding her hurt from everyone. Alzheimer's struck her and she lost her battle with it. She had a big heart and loved her family and Dennis and Angie showed their love back by taking such good care of her. She will be greatly missed by all. Love you Aunt Ruby.

“ Ruby was a dear friend to me. In days past. She made a good difference in my life. Had a beautiful family. I miss her. Very sweet person. She was like a phone buddy. Always upbeat. Willing to help me. She help me learn how to ride my new riding lawnmower. She says I'll help you. I had wasps at my house she came and help spray them. I was scared of them. Not Ruby. Never forget her.  
My special friend.

“ Ruby was my mothers sister. She has always been like a second mom to me. She would stay with us some when she went to high school when I was a baby. She would keep us while our parents worked. We have had some wonderful times together over the years. Her warm and caring personality, smile, laughter, and sense of humor impacted and touched everyone she came in contact with. Ruby was a dedicated, loving mother, grandmother, daughter, sister, aunt and friend. She will be deeply missed by all her family and friends, but her selfless love, zest for life, sense of humor, and energetic spirit will always live on in their hearts and memories until reunited with her again in heaven. I love you Ruby. Judy Turner Harris
